EXPERIENCE

Co-founder & Lead Product Designer

July 2025 to Present
Ho Chi Minh City, Vietnam

TL Studio

Design and development studio building web and mobile products for international clients

- Co-founded the studio and led design for 8 web and mobile products, from discovery to launch.
- Translate founders' goals into user journeys, information architecture and high-fidelity interfaces, balancing user and business needs.
- Deliver accessible Figma files with reusable components and clear developer specifications.
- Review builds and provide design QA feedback to ensure usability and visual quality.

UI/UX Designer

Nov 2023 - Mar 2025
Ho Chi Minh City, Vietnam

ICSD

Agency delivering 20+ SaaS, fintech and real-estate products for international clients

- Designed onboarding, account selection and comparison flows for 20+ international clients across banking, crypto and iGaming.
- Tested with 20+ users and ran 10+ prototype sessions, helping reduce onboarding drop-off by 30%.
- Designed search, filters and listing details for a real-estate marketplace, simplifying property and price comparisons.
- Improved design system consistency through standardized naming conventions, reducing design time by 30%.
- Presented research to client executives, influencing roadmaps and moving a proposed concept into development.

Junior UI/UX Designer (Remote)

May 2022 - Nov 2023
Da Nang, Vietnam

Pro App Company Limited

Tech company building iOS and Android applications

- Designed and shipped flows and interfaces for 4+ iOS and Android apps, including Penlo (4.4-star rating, 11K+ ratings).
- Owned end-to-end app design workflows, from initial concepts and user flows to final developer-ready interfaces.
- Collaborated with engineers to resolve design dependencies and technical constraints before release.

EDUCATION

Ton Duc Thang University · Bachelor of Graphic Design · 2025 — Ho Chi Minh City, Vietnam
